

THE WEEKEND BUZZ – THIS WEEK WE SAMPLE THESE TASTY TODDI COCKTAILS

It's another week and another round of **The Weekend Buzz** powered by **Ben E. Keith Beverages**. This week, we take a break from the beer and sample these tasty **Toddi Cocktails**.

In case you're not familiar with the show, we feature some brews from breweries nationwide each Friday. Basically, we try a bunch of beers, tell you about the beers, and then you choose whether or not you want to go out and try these brews for yourself.

Last week, we featured the Modelo Oro, their gold standard light beer, and the new Modelo Chelada Sandia Picante. The Modelo Oro was definitely on the lighter side of beer but had that Modelo taste we've all come to love. The Chelada was very good with an immediate watermelon smell and flavor and a nice chili kick at the end. Both were solid.

This week, we take a break from the beer and try the new Toddi Cocktails. Toddi is brewed in Grandbury Texas. They feature hand-crafted vodka as well as their new cocktails. We'll be trying their orange-ginger cocktail as well as their strawberry-lemon cocktail.
